Trash pickup

On each regularly scheduled collection day, Tuesday and Friday, Texas Pride Disposal will collect residential refuse located near the garage or side gate. Residential refuse must be either in personal containers not to exceed ninety-six (96) gallons or bags not exceeding forty (40) pounds. Tree, shrub, and brush trimmings must be piled neatly curbside in individual piles not exceeding three (3) feet in length by three (3) feet in width by three (3) feet in height, and branches may not exceed six (6) inches in diameter. This excludes any waste generated as a result of a force majeure.

As part of normal collection, Texas Pride Disposal does not pick up dirt, rocks, bricks, concrete, or any materials or items deemed hazardous materials or waste generated by a private contractor. Bulky waste (refrigerators and freezers must be drained of Freon and have a bill to validate such service was performed) will be picked up either scheduled day and must also be located at the curb.

For special collection other than normal amounts of residential refuse, yard trimmings, or bulk items (a "Special Collection"), if notified in advance Texas Pride Disposal will meet with the resident prior to collection day to negotiate a price. If a resident does not notify Texas Pride Disposal of such a Special Collection before their scheduled day, Then Texas Pride Disposal will leave a notice for the resident to contact Texas Pride Disposal during normal office hours before their next scheduled pick up day. Payment for any Special Collection is the sole responsibility of the individual resident requesting Special Collection and is not an obligation of the sub-division.

All permanent trash containers, after being emptied by Texas Pride Disposal, will be returned to their point of origin in the same condition in which they were taken, normal wear and tear expected.

Texas Pride Disposal shall clean up any spillage that occurs during the collection process; provided, however, that if gasoline, motor oil, cooking oil, paint, or any other liquid items in a garbage container are not seen by Texas Pride Disposal personnel resulting in spillage that causes a stain, Texas Pride Disposal shall not be responsible.

Items placed for collection no sooner than 5:30 the day before and stored as soon as possible after collection on the day of collection

Recycling

On each regularly scheduled collection day, Tuesday, Texas Pride Disposal will collect recyclables curbside. Recyclables should be placed in the bin provided by Texas Pride Disposal. Overflow material may be placed in old recycle bins, containers labeled RECYCLE, paper bags, or boxes.

Items placed for collection no sooner than 5:30 the day before and stored as soon as possible after collection on the day of collection.
